

Your First Month With Ubee

from signing to live & everything in between

~10 hrs

This is a collaborative process. Minimum setup: 10 hours, but we'd love to keep building from there ~

YOUR FIRST MONTH

Day	Milestone	Your Time	We Handle
Day 1	Sign your agreement	1 hr	agreement setup, 2FA and security, compliance docs
Day 1	Onboard: look, brand, channels, consent, limitations	1 hr	capturing every preference, no detail missed
Day 2	Build-a-Bee: build your digital persona together	2 hr	your bee takes shape
Day 2	Send reference images and videos for training	1 hr	twin training begins
Day 2-9	The Build Week	—	profile, bio, pricing, and offer ladder optimized; vault organized; 30-day content calendar built; chat scripts trained to your voice
Day 10	Content review: see the first batch, approve and direct	2 hr	producing all of it before you arrive
Day 10-11	Revision round (if needed)	—	revisions turned around within 48 hours and re-presented for your approval
Day 11	Scheduling meeting: lock the calendar	1 hr	the plan, ready for your sign-off
Day 11-14	Scheduling	—	full 4-day setup, every post queued
Day 15-22	Launch: your bee goes live	—	execution, DMCA monitoring, traffic and cross-posting begin
Day 23+	Weekly review call (as many as you want)	1 hr	analytics report in your inbox beforehand
1st of next month	Monthly overview call	1 hr	full growth report ready before you arrive

Est. Total creator time, month one: ~10 hours.

YOUR STANDARD PACKAGE

From the moment you sign, these services are included and run in the background for free.

HD AI Photos	Photorealistic AI content of your verified likeness, produced at full resolution and matched to your aesthetic exactly, ready to post.
Profile Optimization	Bio, banner, pricing structure, and offer ladder built from scratch and refined monthly so your profile is always converting.
Content Calendar and Vault	Your full 30-day calendar built and organized before launch. Everything queued and ready.
Multi-Platform Traffic	Cross-platform posting, promo calendar, and social pipeline live from launch. Your content reaches fans wherever they are.
Live Analytics Dashboard	Real-time revenue, fan metrics, and content performance, visible whenever you want. Not just at your weekly call.
Ubee Platform	Your dedicated dashboard at ubeeofm.com. Review, approve, request, and track everything in one place, from any device.
Weekly Performance Report	Analytics delivered to your inbox before every weekly call so you arrive informed, not surprised.
Monthly Growth Overview	Full metrics at every monthly call: revenue, engagement, fan growth, and what to focus on next month.
Security and Access	2FA enabled from day one, dedicated logins, no shared passwords. Your account stays locked down.
Compliance Setup	Identity verification and all required documentation handled before your first upload. You are covered.
DMCA and Leak Monitoring	Continuous monitoring from launch. If anything surfaces, we act immediately and notify you. Your content is protected.
Direct Founder Line	24/7 strategy, platform questions, and creative direction advice. No account managers. Founder is directly invested in your growth.

UNLOCKING NEXT

coming for all early members.

AI Chatter	<i>Your bee handles DMs around the clock, in your voice, with fan segmentation and upsell flows built in.</i>
Voice Clone	<i>Your bee, now with your voice. Real audio messages, voice notes, and personalized responses that sound exactly like you.</i>
High Quality Video	<i>Cinematic AI video content of your likeness for premium posts, promotions, and cross-platform campaigns.</i>

U bee in control

Your digital twin is always yours to direct. You decide what it creates, what it says, and where it goes. If you ever decide to leave, your likeness and all personal data is deleted from our systems immediately, no questions asked.
